Serving Oregon since 1941

We have eight decades of experience focusing on the unique healthcare needs of Oregonians. And as a tax-paying nonprofit, we’re here to support you—not shareholders.

Here's what you get with Regence

With head-to-toe coverage and assistance programs at no extra cost to you, Regence plans help simplify your life.

Primary care
Visit your primary care provider for checkups and to manage chronic conditions. If you choose a Regence Essential plan, you also have access to Virtual Primary Care to visit your PCP virtually.

Preventive care
Get the most value out of your plan with preventive care at no extra cost to you. See an in-network provider for things like annual wellness visits, vaccinations, women's reproductive health and diagnostic screenings.

Quick and convenient virtual care
Get quick access to care anytime, anywhere. All plans have Doctor On Demand for on-demand urgent medical care 24/7/365. The average wait time is less than 10 minutes. Connect with board-certified physicians at a low copay, or choose a plan that covers virtual care in full.

Pediatric dental and vision
Coverage for pediatric vision includes one routine eye exam and eyewear. Pediatric dental coverage provides two dental exams and cleanings covered at 100%, along with coverage for basic (you pay 20%) and major (50%) dental care.* The deductible is waived, and dependents are eligible up to age 19 on both benefits.

Low-cost prescriptions
Get access to affordable prescriptions at any of our 63,000+ participating pharmacies. Plus, many preventive medicines are covered even before you've met your deductible. Our medication support tools help you understand choices, side effects, effectiveness and costs.

Local customer service
At Regence, our members are also neighbors—so we treat them that way. No scripts. No time limits. Never outsourced.

Virtual care saves a vacation

"We were on vacation in the middle of nowhere. This option saved me a two-hour round trip to the ER. That would have cost me a fortune. So thankful for this option."

—Regence member

*Standard and Bronze Essential 9500 Legacy plans do not include pediatric dental.

Behavioral health support

Mental health matters. That's why you get a range of support options, including Doctor On Demand for quick, convenient virtual therapy and psychiatry from anywhere, with appointments available in less than three days. You'll also have life-balance assistance and personalized care management to help you get the right level of support at the right time.

Tools to help you manage your health

Find a new doctor, check your deductible and pull up your member ID card on your phone. Even chat with us when you have a question. Best of all, when you sign in on the website or app, your tools are personalized to you.

Extra support for life's challenges with the Individual Assistance Program (IAP)

Life doesn't always go as planned. From relationship issues to financial stress, you might need extra support from time to time. The IAP puts professional help in your hands, including four counseling sessions per incident, legal guidance, lifestyle support, 24-hour crisis help and more—all at no additional cost to you.

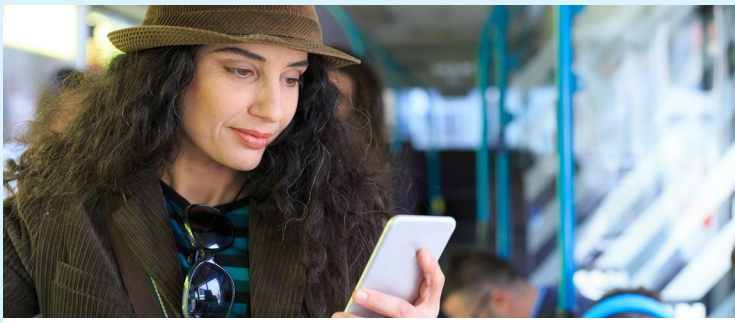

Well-being rewards and benefits

With Regence, it pays to live well. Our plans include a personalized well-being solution, Empower360℠, which allows you and your eligible spouse or domestic partner to earn up to $100 in rewards for completing an online Health Assessment and other wellness-related activities, like an annual checkup.
