

Blue Cross Blue Shield of North Dakota Individual Market Broker Commission Disclosure

If you purchased BCBSND individual health insurance coverage through a licensed insurance broker, the below commission schedule reflects those commissions payable to your broker. The commission is paid on a per-enrolled individual basis for each month that the individual is enrolled with BCBSND. The commission schedule lists both the monthly and annual commission amounts your broker would receive over the course of one year. This disclosure reflects compensation payable by BCBSND only and does not include compensation your broker may receive from other sources.

Blue Cross Blue Shield of North Dakota Commission Schedule for 2027 enrolled Individuals

Open Enrollment (OE) and Special Enrollment Period (SEP)

Coverage	Monthly commission per each enrolled member*	Annual commission per each enrolled member (monthly amount x 12)
BCBSND Medical	\$15.00	\$180.00
* Commission limited to three individuals on a contract.		

Actual compensation may vary based on enrollment status, duration of coverage, eligibility for compensation programs, and other applicable factors. In addition to the above commission schedule, a broker may be eligible to receive additional compensation of up to \$7 per contract for meeting certain performance requirements.
