Convenient in-home medical care at a lower cost

DispatchHealth® has teamed up with Regence BlueCross BlueShield of Utah to deliver urgent medical care to your employees' homes. DispatchHealth provides convenient, trusted in-home care—helping employees recover faster while avoiding an expensive, time-consuming trip to the emergency room (ER).

Keeping your employees healthy

Benefits to your company

- Reduces medical expenses
- Improves satisfaction of benefits by offering convenient in-home care services
- Decreases down time for employees recovering from illnesses or injuries
- Integrates into your existing benefits plan

Benefits to your employees

- Improves access to convenient, high-quality care
- Exceptional patient experience—we maintain a Net Promoter Score (NPS) of 96
- Reduces out-of-pocket costs when compared to an ER visit

How it works

- 1 Employees book an appointment**
Employees can go to DispatchHealth.com or call 866-440-2131. They'll answer a few questions about how they're feeling to ensure they can be safely treated at home.
- 2 They get care at home**
DispatchHealth's credentialed medical professionals will go to the member's house. They'll bring any needed equipment with them. Remote support from an emergency medicine doctor is always available.
- 3 DispatchHealth handles the rest**
Following the appointment, DispatchHealth calls in any prescriptions, updates members' regular doctors, and handles billing with Regence.*
