

Important Laboratory Update:
LabCorp and Regence Health
Plans Extend their Laboratory
Participation Agreement

We are pleased to announce that effective July 1, 2020, **LabCorp renewed and extended its service agreement with Regence Health Plans** as their Lab of Choice provider for outpatient, specialty lab, and pathology testing services.

LabCorp is your one-source laboratory, combining its expertise in innovative clinical test technology through its specialized labs and the LabCorp Specialty Testing Group.

Members of LabCorp's Specialty Testing Group listed below are included as participating laboratories.

Colorado Coagulation
Dianon Pathology
Endocrine Sciences
Integrated Genetics
Integrated Oncology

Litholink
MedTox Laboratories
Monogram Biosciences
National Genetics Institute
ViroMed

LabCorp offers many service enhancements for you and your patients, including:

Comprehensive Test Menu

- Nearly 5000 frequently requested, specialty, and genetic tests, with an increased emphasis on precision medicine tests to help you provide more personalized care for each patient

Patient Convenience and Access

- Convenient, easy-to-use online and web-based tools to help patients make lab appointments, streamline the lab check-in process, obtain an advance estimate of out-of-pocket costs for their testing, access test results, and simplify billing and payment
- Expanded specimen collection locations, including a growing retail presence

Value-based Care

- Data tools to help your practice with value-based care and population health initiatives

Variety of Test Order and Result Delivery Solutions

- Simplified test orders and results through intuitive EHR interfaces, including access to historical test LabCorp results regardless of the ordering physician

Clinical Studies

- The opportunity for you and your patients to participate in clinical studies through our Covance business, helping to advance treatment of complex diseases and speed the delivery of new treatments to patients

At LabCorp, our commitment to scientific leadership provides clients with access to industry-leading expertise and the latest developments in medical diagnostics. At the core of LabCorp's approach are its specialized laboratories. Each laboratory has a distinctive, long-standing reputation for innovation and quality.

Colorado Coagulation is an industry leader in hemostasis testing and offers consultative coagulation services.
