Takeoff 2025 rewards our top-performing producers who sell new business quickly with us. Here's how it works:

Be one of the first 10 producers to sell group contracts with a Regence plan totaling at least 300 subscribers, and you'll win a trip with educational and partnership-building opportunities.

We'll award 10 trips total per state, so don't miss your chance to be one of the top performers in your area.

Only fully insured group business with a contract effective date of January 1, 2025, is eligible for this incentive.

Program rules

This incentive program is in addition to the Regence Acclaim and Regence Ignite programs.

We'll award 10 trips total to appointed producers in each of our service areas: Idaho, Oregon, Utah and Washington. For Washington, all contracts, regardless of brand, will be considered. A producer cannot combine sold contracts across states to reach the incentive.

Date and time of sold contracts will be based upon the receipt of complete and accurate paperwork.

Subscriber count is based on the number of enrolled employees submitted with the group's case submission at the time of initial setup.

Only groups that are not contracted with Regence on December 1, 2024, are eligible.

Only groups with a January 1, 2025, effective date are eligible.

A producer may opt out of the program at any time by providing written notice to Regence.

Regence reserves the right to terminate or modify this program at any time and without further notice.

In order to qualify for any incentive described in this flyer, you must be an appointed producer with Regence and comply with all of the terms, conditions and limitations contained in (i) the Producer Agreement for Individual & Group Products applicable to your appointment, and (ii) the Terms and Conditions, available upon written request or online at the Producer Center.
